

Young Parents Programme (YPP)

Thankful to God for:

- Two new courses starting this term – the Arts Award (run in partnership with the University of Cambridge Museums) and Mums Matter (run in partnership with Mind). So far twelve mums (and thirteen babies) have enrolled which means a busy, bustling creche!
- Babies & Buddies continuing to be a safe, supportive space for mums and their babies in the postnatal period. Our engagement worker, Emma, has arranged some activities, and we have welcomed several visitors including midwives and mental health professionals.

Prayer for:

- Our antenatal work – we have a course running each Monday and would love mums who are expecting their first baby to feel they can come along.
- Our new creche workers, recently recruited due to higher course numbers on Wednesdays. Pray they would settle in and that the whole creche team would be blessed by their work for YPP this term.
- Heather as she steps into the coordinator role for the Young Parents Programme.
